CONFERENCE IMPACT CREATING RESULTS THAT LAST

“Randy Taylor’s IMPACT seminar was not a temporary Jacuzzi experience for my team. His follow up process made it possible for my people to use what they learned!”

- Terry James-VP national sales

Solution

Randy Taylor’s IMPACT method works. It provides the motivation, action steps and follow up to create results and make long lasting change possible. The areas of training and development he specializes in are focused on assisting individuals and teams to create the behaviors, structure, drive, productivity and discipline to achieve their full potential and grow the organization.

With this exciting new approach your conference will receive;

- A customized keynote presentation that is both engaging, entertaining and informative
- Breakout session (s) dealing with results based presentations
- An IMPACT guide book detailing follow up steps and all topics covered in conference
- Exclusive enrollment into TML Touchpointtm system

The Taylormadeleadership Touchpoint System

The Touchpoint System will provide the tools that will allow all conference attendees to implement what they learned. Each of your conference attendees will receive the following;

1. A complete detailed set of notes of everything covered in the keynote and or breakout session within 1 week of the conference
2. A step by step activity plan assisting them to implement what they learned
3. Daily (or weekly) contact to each conference attendee individually providing a reminder of the action step to be completed.
4. Daily (or weekly) tool of accountability for each conference attendee individually
